2. Key Centre Policies

The Centre's Priorities include:

- Current site priorities include higher standards of learner achievement with a focus on literacy and numeracy indicators, maintenance of preschool attendance 93% and improvement to 95%, focus on sustainable practice, improving processes of documenting and analysing children's learning, intentional teaching methodologies and effective performance development processes.
- Embedding the site Vision and Values statements in current practice is a continuing priority, currently being addressed through work with the RRR Active Learning environments Scale.
- Deprivatising practice is a focus of the Mitcham Hills Partnership and as such has been developing as a site priority since 2015.
- In 2015 the site achieved the standard of "meeting" for each of the 7 National Quality Framework standards.
- The Site Vision & Values Statement was revisited and completed at the beginning of 2017 and work is continuing to ensure it is embedded in the daily routines and educator practice.

- **Vision Statement :**

Our vision is to acknowledge each child as a capable and competent learner building on children's individual experiences. Through emergent curriculum, EYLF, Literacy and Numeracy learning indicators, Results Plus, child protection curriculum and researched pedagogical theories such as Reggio Emilia, Empathetic Mindfulness and practices such as behaviour guidance based on The Way to A and Nature Play outdoor education, educators support children to experience intellectual stretch through dynamic, challenging, purposeful play based experiences and a safe, rich learning environment that promotes on going learning, physical and emotional well being and future successes.

- **Site Policies and Practices:**

The Governing Council has a cycle of bi- annual review of all site policies and practice statements. The site has been an accredited Sun Safe Site for 10 years. The key site policies are available on the kindergarten web site.

Transition to School Program:

- Connecting with the local community and encouraging families to participate in preschool and playgroup experiences with high quality outcomes for every child has been a priority in 2017. Transition to school has become a high priority for the site. Current work with Coromandel Primary School in partnership developing our joint capacity to provide a rich and engaging transition to school program for each child during term 4 each year.

3. Curriculum

- Frameworks used: Early Years Learning Framework (EYLF), Assessing for Learning and Development in the Early Years using Observation Scales: Reflect, Respect, Relate (RRR), Child Protection Curriculum, Literacy and Numeracy Indicators.
- Core Values: Respect; Strong dispositions for learning; Co-operation; Confidence; Safe practices
- Specific curriculum approaches:
Reggio Emilia – children are capable on competent learners able to design and engage in curriculum- emergent curriculum and child voice,
EYLF–sense of identity, strong focus on wellbeing through Empathetic Mindfulness and The Way to A, physical wellbeing with outdoor education - Nature Play and sustainability practices
- Joint programmes/special curriculum projects: Child Youth Health nurse visits for 4 year old health and development check, little athletics program in term 1, transition to school program in term 4 in partnership with Coromandel Valley Primary School.
- The Kindergarten is based in the Mitcham Hills and as has a high level of rainfall, very cold weather through Autumn and Winter and is in a Bushfire zone. 7. Further Comments

- Partnership arrangements with other groups: Coromandel Valley Kindergarten is a “stand-alone” centre situated within an established suburb amongst residential homes. The building is split-level and consists of 3 main rooms with stairs between two of them. The outdoor area is large, sloping and well landscaped with many mature shade trees. The majority of families are drawn from Coromandel Valley, with a mixture from Reynella, Aberfoyle Park and Craighburn Farm. The kindergarten is full time with longer day sessions offered on Monday and Tuesday or Wednesday and Thursday 8.15am to 3.45pm. Early Entry and Pre Entry are available to families that meet the eligibility criteria. All children intending to attend the Kindergarten are offered Pre-entry sessions in term 4 of the preceeding year to starting fulltime kindergarten sessions.
